## Contract Price List

## VINE SEEDS and SEED CORN

## J. C. ROBINSON

## WHOLESALE

## SEED GROWER

## Waterloo, = NEBRASKA.

1PRESENT for your consideration the following prices for growing Vine Seeds and Seed Corns during the season of 1899. A proper acreage will be planted of each variety to produce, under ordinary conditions, the various amounts required to fill all contract orders, and under no circumstances will an acreage be planted for the purpose of producing a surplus. In case of shortages all orders will be filled by an equal pro rata division of the entire merchantable crop delivered to me by my various growers, all orders

## 

Orders will be accepted for the growing of special stocks or new varieties, at reasonable prices, if planting stocks are furnished.

The Telegraph Code used is the same as adopted by the American Seed Trade Association,
Orders for 25 pounds of a single variety of Vine Seeds will be filled at regular quotations; for orders of less than 25 pounds of a single kind, add 2 cents per pound.

TERMS: Except on Field Corn, sixty days' acceptance, or, if discounted, 1 per cent in 30 days from date of shipment.
All prices are based on delivery $\mathrm{f}, \mathrm{o}, \mathrm{b}$. Waterloo, Neb.
; Garden Seed, C. L.
